

# Bro Split 3.0

## Home Strength & Conditioning Program

### General Training Principles:

**Rest:** 60–90 seconds between all sets.

**Intensity:** Take the final set of every exercise to technical failure.

**Tempo:** Use a "3-0-1" tempo (3 seconds down, 0 pause, 1 second up) to maximize muscle tension.

**Pull-up Strategy:** Perform your max clean reps, then immediately finish the set with slow "negatives" to reach 8-10 total repetitions.
